*Read*— G.O. d 7301-3 Med 129-21-2 dated 13.6.1922, directing among other things ~~directing~~ that the no of Scholarships to male pupils in the Medical School be reduced from 8 to 4.

2. Letter No G.C. 4-3 dated 9-7-1931 from the Senior Surgeon suggesting that the stipend ~~given~~ **Order Thereon No.** ~~to boys stipend to in the Govt order read~~ above be discontinued with effect from the next Offl yr viz, 1932-33 order Ms. G. 2773-4

The Sr Surgeon states that the system of paying stipends was originally instituted in order to attract Candidates, and to bind them by an agreement to take up Service in the State for qualifying themselves for employment as Sub Assistant Surgeons in the Medl Dept.

for

a prescribed number of years.

Owing to the altered conditions at present, he is of opinion that there is no longer any necessity for the apprehension that qualified Sub Asst Surgeons cannot be secured for the vacancies occurring in the Dept., and that the system of paying Departmental Stipends like these is unnecessary from the next Official year.

Govt agree with the Senior Surgeon and direct that no new Stipends be granted to male Students studying in the Medical School, Bangalore from the year 1932-33.

The Candidates who have already been granted Stipends for 4 years will however continue to draw them for the stipulated number of years.

W D 865—GPB—375—26-10-31

D.O. letter No.G.C.4-3 dated 9th July 1931 from the Senior Surgeon in Mysore to the General Secretary to the Government of Mysore.

---

Ref: your D.O.letter No.E.88-89, dated the 4th July 1931, proposing the reduction of the allowances payable to part-time lecturers and demonstrators in the Medical School.

The allowance is paid for tutorial work which is quite different from the usual normal Departmental work and requires special aptitude in the line. The allowances now given, viz, Rs.75/- or Rs.50/- represent the bare minimum and are not susceptible of reduction. The sum of Rs.30/- proposed for Assistant Surgeons is far too small and is not commensurate with the time the officers have to devote to the work. I need hardly say that the reduction of the allowances to a nominal figure is bound to react in reduced efficiency. There is, in these circumstances, reason to plead for an enhancement, instead of a diminution of the present allowances.

2. Incidentally, I may note that the rule now in force of paying a higher allowance to Surgeons and a lower sum to Assistant Surgeons is incongruous. Officers who are Lecturers and in full charge of subjects are entitled to the higher allowance irrespective of their grades, and Demonstrators who work under their guidance ought to get the lower allowance. I would therefore press for the retention of the present scale of allowances (viz Rs.75 to Lecturers and Rs.50 to Demonstrators) the distinction between Surgeons and Assistant Surgeons, however, being deleted.

3. Two other methods of dealing with the situation suggest themselves to me. The first is augmenting the income by raising the tuition fees from Rs.60 to Rs.100 per annum. The existing rate of fee is far too small and its enhancement by another Rs.40 will entail no hardship. The second method is to limit the expenditure by the stoppage of stipends. The Medical Department now grants seven stipends annually, four for boys and three for girls. It is time the four stipends for boys were stopped -

altogether. The system of paying stipends was originally instituted in order to attract candidates and to bind them by an agreement to take up service in the State for a prescribed number of years. - Conditions have entirely changed now, and there is no longer any cause for apprehension that qualified Sub Assistant Surgeons cannot be secured for the vacancies that occur annually in the Department. The old arrangement is now mechanically continued and has entirely lost its original significance. It must be noted that the amount paid is only a stipend and not a scholarship. Under the latter head, the University has instituted backward scholarships, depressed scholarships and hardship scholarships. The addition of departmental stipends to this list is quite unnecessary. If this suggestion is approved, new stipends need not be granted from next July onwards. The candidates who have already been granted stipends for four years will however - continue to draw them for the stipulated number of years.

4. If notwithstanding the above measures, Government still think that the allowances to the Lecturers and Demonstrators need to be retrenched, I propose that a uniform allowance of Rs.50/- per month may be fixed for every officer connected with the Medical School - irrespective of his grade in the Department or his designation in the Medical School. There are 15 Lecturers and 6 Demonstrators drawing Rs.75/- or Rs.50/- according as they are Surgeons or Assistant Surgeons. The unification of the scale of allowances would result in a savings of about Rs.3,000/- per annum. I reluctantly submit this suggestion as I realise that retrenchment is called for in view of the present situation.

---

"C o p y."

D.O.Letter No.C.609 dated 15th August 1931 from the Registrar, Mysore University to the Assistant Secretary to Government, Development Department.

---

With reference to your D.O.letter No.E.685/Uni.188-30-13 dated the 7th August 1931, forwarding for opinion copies of certain letters from the Senior Surgeon suggesting alternatives such as the enhancement of fees, abolition of stipends etc., in connection with the revision of the rates of allowances paid in the Medical School, Bangalore, I am desired to state that the University is not in favour of reducing the allowances for reasons explained in this office letter No.1463, dated the 14th July.1931.

As regards stipends, I am to state that they are being paid by the Medical Department and not by the University; and that their abolition may however lead to the necessity for the institution of merit etc., scholarships in the Medical School.

I am to add that the question of increase of fees will be considered by the University authorities concerned and their decision will be communicated in due course.
